Family Geocaching Adventure!

Geocaching is a great way to get outside and adventure as a family, using science and technology to go on a treasure hunt! There are geocaches hidden in our communities, and all around the world.

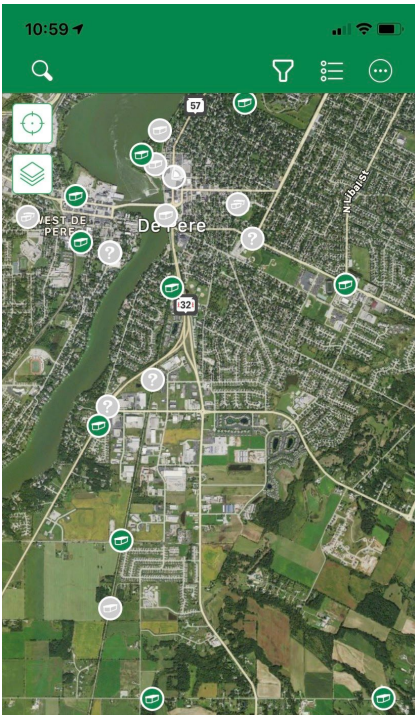

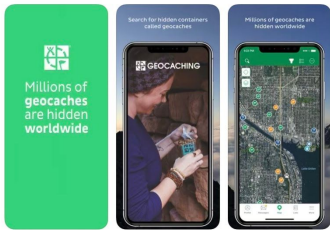

OPEN

Get started by checking out [Geocaching.com](https://www.geocaching.com) or getting the Geocaching app on a smartphone.

Other geocaching apps you could check out: Munzee, Cachly, Spyglass

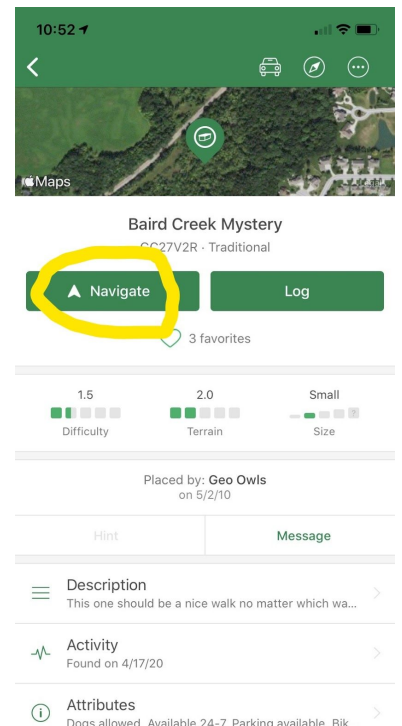

Find Geocaches near you using the map on your app or the website.

Select a Geocache to see more information about it.

Walk, bike or drive to get closer to the area where your geocache is located.

Once you are in the area, click **Navigate**, and follow the arrow and path on your screen.

When you are getting close, stop looking at your screen and start treasure hunting!

Some caches have little treasures inside and you can bring something to swap. Some may just have a log book to sign. Make sure you close it up and put it back exactly where you find it!

HAVE FUN and BE SAFE!!
